The Antigonish Women's Resource Centre and Sexual Assault Services Association stands with Palestinians in their struggle for sovereignty and freedom.

We denounce colonial violence in all forms, from Mi'kma'ki to Palestine, and call for colonial powers both in Canada and Israel to recognize inherent human rights including freedom, safety, health care, and adequate housing.

We call for an immediate halt of military violence and forced evictions of Palestinians from their homes, equal rights and freedoms for all Palestinians, and the fair treatment of Palestinian refugees should they return to their homelands.

We call on the Canadian government to defund colonial military structures both within Canada and in Palestine, and we call for a just peace.
